■ What is the Faculty of Creative Convergence?

The FCC(Faculty of Creative Convergence) was founded to educate talented people to be logical and critical while also helping them to learn creative problem-solving skills in this knowledge based area with the following aims:

- To specialize in interdisciplinary educational programs
- To focus on educating the future's global leaders
- To create a challenging, creative, and cooperative college culture

Educational Goals

- To cultivate students with critical thinking and rational communication skills
- To educate students to use interdisciplinary studying skills
- To train future leaders who can cooperate and create new social values
